## **LEARNING TOGETHER: Building A Positive Classroom Culture**

Join your Early Childhood CTE students and ECE professionals at West-MEC  
Western Maricopa Education Center in Glendale Arizona.

This seminar provides an opportunity for Early Childhood Educators to:

- Gain an understanding of how to support young children through developmentally appropriate practices that foster essential social-emotional skills;
- Learn how to model positive characteristics, handle personal stress, and distinguish between situations that are and are not within your control; and
- Discover ways to use high quality storybooks in building a positive classroom culture.
